For all questions regarding billing and registration, please contact customer Service: Email: info@innovationlearning.com • Phone: 1-866-239-3661

Pick-Up/Drop-Off

Pick-up your child(ren) at 2318 N Cascade Ave Colorado Springs CO 80907. Enter the aftercare door on the west side of the school building by the playground. Please ring the doorbell once inside the breezeway. Call the site phone number listed above if needed.

Signing In and Out

Please be sure to have your 6-digit innovation PIN number handy when dropping off or picking up. A computer kiosk will be set up for you to type in your pin to check in/out the child(ren). Be sure to always have a photo ID ready when you pick up your child(ren) to ensure a smooth check-out process if you are not recognized. If you do not know your Innovation PIN number, you'll be asked to show a photo ID prior to staff looking up the number on your account. CCAP- You'll have a separate personal pin to clock in/out children and approve your times. Do not share with anyone.

Authorized Individuals for Pick-Up

For the safety of your child(ren) – we will only release them to either you or someone that you have authorized as a emergency pick up person. We must have their name on file and that individual will need to present proper identification. Communicate with the site Coordinator through phone or email that you may have an alternative person picking up.

Communications

You will receive emails from the Site or Area Director through our systems, EZ Child Track and GO2s (Download the app for free) to all parents. These emails contain very important reminders, information and weather updates. Please be sure to keep us informed of your current email address.

Outside Activities

Per licensing rules, we will follow the outdoor activity weather guidelines. If weather is above 100 degrees or above or 30 degrees below, we will not be engaging in outdoor activities, such as fun fitness. Though we may not be outside, please ensure your child has a water bottle for hydration and sunscreen if needed.

Strict No-Cell Phone Policy

For the safety of your students – we do not allow the use of any type of personal electronic devices. All electronics are to remain in the students backpack until they are released from programs. Parents – please contact your Site Coordinators for any concerns about your student.
