Pick-Up/Drop-Off

You will pick-up and drop-off your child(ren) in the school cafeteria. The entrance is behind the school building by the playgrounds. Enter through the metal gate and walk up the stairs to the door. Call the site phone number listed above and someone will answer or come out to assist you.

Signing In and Out

Please be sure to have your PIN handy when dropping off or picking up. We will ask for your PIN when you arrive to pick up your child(ren). You can find your PIN in your email inbox after registering on EZ Child Track. All adults picking up from program must have a government-issued photo ID with them every day. Be sure to always have a photo ID when you pick up your child(ren) to ensure a smooth check-out process. If you do not know your PIN, we will look it up for you on pick-up once you've provided photo identification.

Authorized Individuals for Pick-Up

For the safety of your student – we will only release them to either you or someone that you have authorized as a back-up pick up person. We must have their name on file and that individual will need to present proper identification.

Communications

You will receive regular emails from the site through our system to all parents. These emails contain important reminders and information. Please keep us informed of your current email address.

Outside Activities

Per licensing rules, we will not be engaging in outdoor activities, such as fun fitness, when it is over 100 degrees or under 32 degrees. Though we may not be outside, please ensure your child has a water bottle to stay hydrated.

Strict No-Cell Phone Policy

For the safety of your students – we do not allow the use of any type of personal electronic devices. All electronics are to remain in the students backpack until they are released from programs.

Parents – please contact your Site Coordinators for any concerns about your student.
