

Dear E.A. Ware Families,

Welcome to Innovation Learning! My name is Tanya McAllister-Knight, and I am the Area Director over the Innovation Learning Program here at E. A. Ware. I wanted to make sure you had this informational letter to help you navigate our program.

Pick-Up/Drop-Off

You will pick-up and drop-off your child(ren) at the main entrance of the school at 569 M.L.King Jr Drive. Atlanta, Ga. 30314. Walk your child up to the entrance; our staff members will meet you at the front door to check in.

PIN

You will find your PIN by logging into your EZChildTrack account. Click **HOME** at the top of the page. You will see Parent/Guardians listed as well as Authorized Pick Ups. Anyone that will be picking up or dropping off should have a PIN. **Add Authorized Pick Up** by clicking on the '+' icon. To view each person's PIN, click on the **computer icon** next to the name. If you have trouble generating your PIN, your site coordinator or I can do so.

Signing in and Out

Please be sure to have your PIN handy when dropping off or picking up. We will ask for your PIN verbally to reduce touch points. Be sure to always have a photo ID ready when you pick up your child(ren) to ensure a smooth check-out process (particularly while staff are learning your faces). If you are not sure what your PIN is, we will be happy to look it up for you on pick-up once you have provided photo identification.

Authorized Individuals to Pick-Up your student:

For the safety of your students – we will only release them to either you or someone that you have authorized as a back-up pick up. We have their name on the file and that individual will need to present proper identification – see additional hand-out for further detail.

Site Communication

You will receive regular emails from the Site Coordinator through our system to all parents. These emails are important reminders and information. Because of this, please be sure to keep us informed of your current email address.
