

Dear LISA Families,

Welcome to Innovation Learning! My name is Toni Dickerson, and I am the Area Director over the Innovation Learning Programs here at LISA Academy Elementary & Middle Schools. I wanted to make sure you had this informational letter to help you navigate our Programs.

Pick-Up/Drop-Off

You will pick-up and drop-off your child(ren) at the main entrance of the school Call the site phone (as listed below) and someone will come right out to assist you!

Signing in and Out

Please be sure to have your PIN handy when dropping off or picking up. We will ask for your PIN verbally to reduce touch points. Be sure to always have a photo ID ready when you pick up your child(ren) to ensure a smooth check-out process (particularly while staff are learning your faces). If you are not sure what your PIN is, we will be happy to look it up for you on pick-up once you have provided photo identification.

Authorized Individuals to Pick-Up your student

For the safety of your student – we will only release them to either you or someone that you have authorized as a back-up pick up. We have their name on file and that individual will need to present proper identification – see additional hand-out for further details.

Keeping Up with You

You will receive regular emails from the Site through our system to all parents. These emails are very important reminders and information. Because of this, please be sure to keep us informed of your current email address.

Sunscreen

We will be enjoying plenty of time outside during the warmer months both Fall & Spring; it is recommended that your child bring sunscreen labeled with their name.

Strict No-Cell Phone Policy

For the safety of your students – we do not allow the use of any type of personal electronic devices. All electronics are to remain in the students backpack until they are released from programs. Parents – please contact your Site Coordinators for any concerns about your student.
