WHAT TO EXPECT

WELCOME TO CLUB INNOVATION!

Innovation Learning works with North Shore schools to leverage national and local community partnerships in order to create tailor-made enrichment programs that will support the needs of the individual school community. Through our extensive vetting process, we find the best providers to allow families to choose from a variety of engaging activities.

The schedule changes each school term! At North Shore, the Winter program includes topics, such as:

- Sports
 - Cooking
 - Science
 - Art
 - Fitness
 - Tech
- ...AND MORE!

Don't miss out on the fun!

LET'S MAKE A MOVIE - GRADES 3-5

This interactive afterschool program uses a real-world, hands-on approach to teach kids the movie-making process, from creating an idea to delivering a finished film. And how do we do that? We make a movie! Kids will learn the **4 primary stages of filmmaking**: development, pre-production, production, and postproduction. They will also learn about the creative positions involved with each of these different stages to help inspire any personal interests they might have.
