WHAT TO EXPECT

WELCOME TO CLUB INNOVATION!

Innovation Learning works with Smithville schools to leverage national and local community partnerships in order to create tailor-made enrichment programs that will support the needs of the individual school community. Through our extensive vetting process, we find the best providers to allow families to choose from a variety of engaging activities.

The schedule changes each school term! At Smithville, the Spring program includes topics, such as:

- Sports
- Art
- Music
- Dance
- ...AND MORE!

Don't miss out on the fun!

VISUAL ARTS - GRADES K-6

Let's create some character and develop our best character traits at the same time. This class will be exploring the world of illustration and animation by learning how to draw expressive and imaginative characters that could go into a children's book, a comic and more. Along the way we will discuss the attributes of these characters that they like and dislike and how they can learn how to be the best character they can be in life.

STREET DANCE - GRADES K-6

In this beginning dance class, your child will get to learn those popular moves associated with hip hop dance but in an age-appropriate way. Each class kids will start with a warmup and stretching followed by a move of the week. We will then go on a movement adventure learning moves from street dance genres like hip hop, popping, voguing, and break dance. By the end of our 8 weeks, students will have a routine to perform for you in our end of session show.

DRAMA KIDS - GRADES K-6

Give your child the opportunity to learn all about theatre in this energetic and magical class. We will be preparing for our spring production of *Treasure Island* while learning stage blocking, acting technique, singing, dancing, and more. Following this class, your child will be ready to head to the stage, right alongside our Spark Spot actors and perform for you on the last day of class. (Costume rentals are an optional addition to be a part of this production.)

JOURNAL JOURNIES - GRADES K-6

Kids love to create! Our Journal Journeys class is part makerspace, part, visual arts, part creative writing, and all fun! Kids will make their own journals out of cardboard boxes, add pages inside each week that help them discover various art media while creating artistic expressions to answer a weekly journaling prompt. Our prompts will be great thought-provoking questions that are secretly teaching them more about their self-confidence, expression, emotional intelligence and more!
