

Dear ALA Anthem South families,

Welcome to Innovation Learning! My name is Dion Koltas, and I am the Area Director over the Innovation Learning Program here at ALA Anthem South. I wanted to make sure you had this informational letter to help you navigate our programs.

Pick-Up/Drop-Off

You will pick-up and drop-off your child(ren) at the front office doors and call our staff at 602-702-2831 to grant access to the kiosk.

Signing in and Out

Please be sure to have your 6-digit PIN number handy when dropping off or picking up your students. ****New families** had a PIN list automatically generated and emailed for each adult after the registration application was approved. We will have a computer or iPad for you to check in/out your student each time of attendance. When you enter the program, be sure to always have a photo ID ready when you pick up your child(ren) to ensure a smooth check-out process (particularly while staff are learning your faces). If you are not sure what your PIN is, you can find it in your parent portal, but we will be happy to look it up for you on pick-up once you have provided photo identification.

Authorized Individuals to Pick-Up your student

For the safety of your students – we will only release them to either you or someone that you have authorized as a back-up pick up. We have their name on file and that individual will need to present proper identification – along with their assigned pin number.

Keeping Up with You

You will receive regular emails from the Site through our EZChildTrack system to all parents. These emails will contain especially important reminders and information. Because of this, please be sure to keep us informed of your current email address. Important: Please use the following [Anthem Go2](#) link and click join to review your site. This platform is where we will send out emergency updates for all program closures due to weather conditions, etc. We also post program highlights of what your student is learning during before and after school hours!

Sunscreen

We will be enjoying plenty of time outside during the warmer months of both Fall & Spring; it is recommended that your child bring sunscreen labeled with their name.

Billing Information

Monthly billing: Monthly scheduling and pricing are for families who need our Before/After Care programs on a regular set schedule through the end of the school year. Monthly rates are discounted based upon volume, and they are based on total yearlong attendance. All monthly payments are **due on the 1st of each month.**

Drop-In Billing: Our most flexible payment option, 'Drop-In' scheduling and pricing affords families the opportunity to change their schedules from day-to-day or week-to-week. Families taking advantage of the 'Drop-In' option can schedule up until the night before attending. Children can attend as needed and are not locked into the same set schedule. **Payment is due at the time of scheduling.**

Early Dismissal and Full Day Programs: We offer care for Early Dismissals and Full Day Programs. (Days and locations offered may vary; communication will be sent throughout the school year from your Area Director)
