

Dear E.A Ware Early Learning Center Families,

Welcome to Innovation Learning! My name is Tanya McAllister-Knight, and I am the Area Director of the Innovation Learning Program here at E.A Ware Early Learning Center. I wanted to make sure you had this informational letter to help you navigate our programs.

Pick-Up

You will pick-up your child(ren) in front of the building.

Signing Out

Please be sure to have your 6-digit PIN number handy when dropping off or picking up your students. ****New families** had a PIN list automatically generated and emailed for each adult after the registration application was approved. We will have a computer or iPad for you to check in/out your student each time of attendance. When you enter the program, be sure to always have a photo ID ready when you pick up your child(ren) to ensure a smooth check-out process (particularly while staff are learning your faces). If you are not sure what your PIN is, you can find it in your parent portal, but we will be happy to look it up for you on pick-up once you have provided photo identification.

Authorized Individuals to Pick-Up your student

For the safety of your students – we will only release them to either you or someone that you have authorized as a back-up pick up. We have their name on file and that individual will need to present proper identification – along with their assigned pin number.

Keeping Up with You

You will receive regular emails from the Site through our EZChildTrack system to all parents. These emails will contain especially important reminders and information. Because of this, please be sure to keep us informed of your current email address. Important: Please use the following [EA Ware ELC Go2](#) link and click join to review your site. This platform is where we will send out emergency updates for all program closures due to weather conditions, etc. We also post program highlights of what your student is learning during before and after school hours!

Sunscreen

We will be enjoying plenty of time outside during the warmer months of both Fall & Spring; it is recommended that your child bring sunscreen labeled with their name.
