We Thrive on Innovation • We Value Community • Learning is Fun! • We Promote Well-Being

# Join us for fun this summer as we explore new adventures each week!

## **Week 1: Burst into Summer!**

This week is all about team building, social development, and things that explode! We want students to start their summer with confidence.

## **Week 2: Let it Grow!**

Students will immerse themselves in the cycle of nature by working with plants.

## **Week 3: Film Festival**

We are all artists with a vision of the world! Students will be able to express themselves through the art of film.

## **Week 4: Carnival**

Students will celebrate the end of summer by creating innovative carnival games and families will join us as we play together on our last day.
