We Thrive on Innovation • We Value Community • Learning is Fun! • We Promote Well-Being

Join us for fun this summer as we explore new adventures each week!

Week 1: Burst into Summer!

This week is all about team building, social development, and things that explode! We want students to start their summer with confidence.

Week 2: Let it Grow!

Students will immerse themselves in the cycle of nature by working with plants.

Week 3: Film Festival

We are all artists with a vision of the world! Students will be able to express themselves through the art of film.

Week 4: Olympic Games

Summer Olympics has arrived at Innovation Learning! Students will showcase their skills and work together to reach for the gold medal!

Week 5: Around the World

Students will learn different cultures to understanding inclusivity and representation of different beliefs and values.

Week 6: Carnival

Students will celebrate the end of summer by creating innovative carnival games and families will join us as we play together on our last day.
